

Analogies: Object to Place / Place to Object

Where would you find a *car* – in a *wallet* or in a *garage*? If you answered “garage,” you matched an **object** with an appropriate **place**.

Now try another example: classroom : teacher :: courtroom : _____

- a. scientist b. judge c. plumber d. salesperson

EXPLANATIONS: A teacher works in a classroom just as a judge works in a courtroom. The correct answer is **b**.

Does the first word pair relate place to object or object to place? The words in the second pair must show the same relationship.

Directions: Draw a line to connect each **boldfaced** *object* with the *place* you would fit it.
