Sift flour

Pack brown sugar

Home Cooking Assignment

The GOAL is "to prepare a recipe by following directions and cleaning the kitchen".

Complete the following –

- **Recipe Choice:** Select a recipe you can prepare by yourself that has at least 3 ingredients needed to be measured. (You may use a recipe we have prepared in class.) Please write the name of your selected recipe:

- **Prepare** the recipe for your family.
- **Clean up** the kitchen.
- **Evaluate** the experience. Have at least **one adult family member** rate your activity, make a comment, and sign this worksheet.
- **Evaluate** the experience. **Each student** is to complete this worksheet by journaling a final comment about the home lab experience.
- **Turn in** this **worksheet** and a **copy of your recipe** by

Evaluate the Activity

Directions: Ask one or more family member to rate your activity according to the criteria listed on this table. Use a scale from 1 to 4 (4 is the best). The evaluating adult is to include a written comment and a signature.

Criteria	Adult Ratings
Measuring	
Following Directions	
Safety and Sanitation in the kitchen	
Organization	
Taste	
Clean-Up	
Written Comment	
Signature	

Journal: Making this recipe for my family

(Complete the sentence. Include successes, learning, difficulties, and/or plans for more home cooking.)
