

Career Choices

Sooo what type of job or career do you picture yourself doing next year? How about after you

graduate from High School? Or what would you like to do after you graduate from college or a trade school? Create a Picture/Word page about you and your future plans. Use complete sentences!

Name: _____

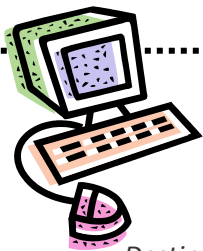

Period : _____ Date: _____

Score: _____

Career Choice

(Write or draw a picture of a job or career you would like to be doing after you are out of school. If you do not have a clue, then list a job you might enjoy while going to high school.)

Journal: Why did you select this career interest? (List more than 2 reasons.)

Assignment – Due Date: _____

Get More Info about your career/job choice. . .

- We will check one web site during class to help you find out more about your career interest. You will list 2 facts found at this web site.
- Discuss how FCS activities can help prepare you for your career choice.
- Bonus: Interview a person that has direct information about this career. Ask them what they like best about their career and what is the most difficult task for them to complete.

Class Activity Directions

Start here. <http://necis.intocareers.org/>

1. Log on.
Password – your birthday
2. Go to: Occupations
3. Record 3 or more points about this career.

*NOTE: Include different types of information. Be sure the facts are new, not just ones that you copied while doing the careers unit in your computers class.

Bonus Directions

4. Bonus: Interview a person that has direct information about this career or job. Ask them a few questions about their job, including job activities, likes and dislikes, and if this job will still be around in 10 years.

Due by:

Destiny is not a matter of chance. It is a matter of choice: it is not to be waited for, it is a thing to be achieved.

~ William Jennings Bryan

Career Facts - List 3 or more facts about your career interest that you found on the career web site.

How can FCS Help? - FCS helps you practice skills needed for your future. These skills include:

- Following directions
- Teamwork
- Communication
- Technology
- As well as finding out more facts about the units of foods, child care, and sewing.

Circle the skill that your job will require the most. Give at least 3 reasons for your choice.

Journal: _____

Bonus - Interview a person that has direct information about this career. Complete the following. *Return by:*

Name of person you interviewed.	
Career of the interviewed person	
#of years involved with this career:	
List 3 or more tasks you do while working.	
List best thing about this career.	
List least favorite part about this career.	
Will this job be available in 10 years from now?	

Careers Scoring Guide

Name: _____

Period : _____ Date: _____
