

Activity 9**Mobile of Characters****(group activity)**

Name: _____ Hour: _____

Title: _____

Author: _____

Publisher and year: _____

Directions: Create a mobile based on the characters in the novel. Each character must have a picture or drawing to show your interpretation of the character's appearance. On the other side of the symbolic shape there should be pertinent information about the character's life, background, family, values, behavior, problems, friends, growth or learning in the novel, and other items of interest. These symbolic shapes can be cut and attached to a wire coat hanger or other stable item. The pieces can hang from string, ribbon, or strips of material.
