

MASTERY OF LEARNING: UNITS

<u>Test/ Quiz</u>	<u>Mastery Level</u>		
<u>Scores</u>			
100-85.5%	HIGH ACHIEVING	16	<i>Student demonstrates mastery/understanding of the concept and is able to apply it at a high level.</i>
85-69.5%	PROFICIENT	12	<i>Student demonstrates mastery/understanding of the concept & can apply it in nearly all cases given.</i>
69-49.5%	PROGRESSING	8	<i>Student demonstrates some mastery/understanding of the concept however is unable to always apply it.</i>
49-24.5%	BEGINNING	4	<i>Student demonstrates little mastery/understanding of the concept & has great difficulty in applying it.</i>
24-0%	INCOMPLETE	0	<i>Student shows no evidence of mastery/understanding the concept.</i>

<u>#</u>	<u>Unit (description)</u>	<u>Date Taken</u>	<u>Mastery Level</u>	<u>Graph</u>			
				4	8	12	16
1	Introduction to Algebra						
2	Working with Real Numbers						
3	Solving Equations						
4	Simplifying Polynomials						
5	Factoring Polynomials						
6	Working with Rational Expressions						
7	Applying Fractions						
8	Functions						
9	System of Equations						
10	Inequalities						
11	Radicals and Geometry
