

# Object to Function

Things are often associated with their function. Write two examples from the box under each function below.

harp	door	knife	saxophone	helicopter	broom
elevator	oven	shovel	inline skates	jet	forklift
wagon	scissors	mop	spade	window	furnace

1. things that cut \_\_\_\_\_
2. things that dig \_\_\_\_\_
3. things that open \_\_\_\_\_
4. things that make music \_\_\_\_\_
5. things that roll \_\_\_\_\_
6. things that heat \_\_\_\_\_
7. things that fly \_\_\_\_\_
8. things that lift \_\_\_\_\_
9. things that clean \_\_\_\_\_

## Object to Function Analogies

1. camera : photograph :: ruler : \_\_\_\_\_.  
A. inch                      B. foot                      C. picture                      D. measure
2. pencil : write :: brush :: \_\_\_\_\_.  
A. paint                      B. comb                      C. paper                      D. build
3. microscope: magnify :: calculator : \_\_\_\_\_.  
A. see                      B. accountant                      C. add                      D. mistake
4. saw : cut :: scale : \_\_\_\_\_.  
A. weigh                      B. fish                      C. heavy                      D. size
5. ear: hear :: mouth : \_\_\_\_\_.  
A. moth                      B. eye                      C. listen                      D. speak
6. helmet : protect :: taxi : \_\_\_\_\_.  
A. cab                      B. transport                      C. head                      D. street
7. chair : sit :: bed : \_\_\_\_\_.  
A. seat                      B. cot                      C. sleep                      D. stand
8. needle : sew :: toy : \_\_\_\_\_.  
A. break                      B. play                      C. mend                      D. doll

## Object to Function Analogies

- telescope : enlarge :: album : \_\_\_\_\_.  
A. display                      B. destroy                      C. star                      D. photo
- lighthouse : warn :: fork :: \_\_\_\_\_.  
A. spoon                      B. form                      C. ship                      D. eat
- airplane : fly :: iron : \_\_\_\_\_.  
A. metal                      B. urn                      C. press                      D. wrinkle
- oar : row :: rod : \_\_\_\_\_.  
A. boat                      B. fish                      C. rode                      D. pheasant
- spaceship : explore :: lifeboat : \_\_\_\_\_.  
A. sea                      B. astronaut                      C. rescue                      D. sailor
- television : view :: radio : \_\_\_\_\_.  
A. listen                      B. taste                      C. time                      D. beam
- hurdle : jump :: discus : \_\_\_\_\_.  
A. run                      B. throw                      C. leap                      D. catch
- loom : weave :: pump : \_\_\_\_\_.  
A. plump                      B. cloth                      C. fill                      D. handle

## Object to Function Analogies

1. ladder : climb :: \_\_\_\_\_ : \_\_\_\_\_

- A. over : under      B. towel : dry      C. stick : twig      D. roof : fall

2. razor : shave :: \_\_\_\_\_ : \_\_\_\_\_

- A. pin : needle      B. pea : pod      C. moustache : beard      D. football : kick

3. horn : blow :: \_\_\_\_\_ : \_\_\_\_\_

- A. collar : shirt      B. seesaw : swing      C. sponge : wipe      D. paper : pen

4. kite : fly :: \_\_\_\_\_ : \_\_\_\_\_

- A. brick : concrete      B. cup : drink      C. flute : clarinet      D. up : down

5. hatchet : chop :: \_\_\_\_\_ : \_\_\_\_\_

- A. shoes : socks      B. glasses : goggles      C. catalog : sell      D. dentist : optometrist

6. refrigerator : cool :: \_\_\_\_\_ : \_\_\_\_\_

- A. banana : yellow      B. sculpture : art      C. outlaw : criminal      D. crayon : draw

7. rolling pin : flatten :: \_\_\_\_\_ : \_\_\_\_\_

- A. penny : dime      B. fork : eat      C. ice cream : cone      D. can : jar

8. roof : cover :: \_\_\_\_\_ : \_\_\_\_\_

- A. pulley : lift      B. power : energy      C. cottage : house      D. piano : harp
