

Find the sum, difference, product or quotient.

22. $-12 + 10$

23. $11 + (-8)$

24. $-9 + (-9)$

25. $-4 - (-6)$

26. $7 - (-7)$

27. $36 - 56$

28. $15(-3)$

29. $-20(-4)$

30. $-12(-3)$

31. $-54 \div (-27)$

32. $-46 \div (-23)$

33. $54 \div (-9)$

Write the absolute value of each number.

34. 45

35. -78

36. -9

37. 47

38. -14

39. Write the integer that represents an elevation of 36 feet below sea level. Then write that integer's opposite.

40. The coldest recorded temperature in South Carolina is -28°C , and the coldest recorded temperature in North Carolina is -37°C . Which state has the lower recorded temperature?
