

# **F**inal Baby-sitting activity -Directions and Scoring Guide (Turn In!)

Name \_\_\_\_\_ Period \_\_\_\_\_ Session \_\_\_\_\_

## Bag Some Babysitting Fun Directions

**Directions:** For the final project we will fill a “baby-sitters bag” during and outside of class. Grades will be determined by:

- **Responsibility Practices –**
  - Positive attitude and willingness to share ideas.
  - Completion of class activities and directions.
  - Doing your best.
  - After completing the required activities, extra credit choices were completed.
  - Due dates were met.
  - Written evaluations were correctly completed.
- **Respect-**
  - Students demonstrated character count behavior practices for others and the environment.
- **Safety-**
  - All choices were safe and age appropriate for the kids.
  - Students worked safely while completing tasks.

### **Part 2: Activities**

**Requirements-**During class we will complete a safety project, child’s activity, and snack. The completed project or directions will become part of your bag.  
(Grade: C - range)

#### **EXTRA Bag Fun-**

- Add items to the safety project. (See suggestions)
    - Add children’s activities or ideas.
    - Add nutritious snack ideas.
- (Grade: A or B – range)

### **Part 3: Organization and Presentation**

**Requirements-**Complete all class labels for your bag.  
(Grade: C - range)

#### **EXTRA Bag Fun-**

- Your presentation is part of the over-all grade. So keep things safe, neat and fun for kids! Be organized! Add typed labels, graphics, stickers, etc. This helps you find things when needed – especially in case of emergencies.

### **Part 1: Bag**

**Requirements-** Each student will be given a plastic bag to store activities. You will create a label for this bag.  
(Grade: C - range)

#### **EXTRA Bag Fun-**

- You may include a folder or notebook that will help organize class and your own ideas.
  - You may choose to bring a durable storage bag from home to use as your baby-sitters bag. It may be decorated by you with fabric markers, paints, thread, etc.
- (Grade: A or B – range)

### **Part 4: Student Written Evaluation:**

**Requirements-** Write an evaluation of your final project on another sheet of paper and attach to this scoring guide. Include an introduction, description of your project, an explanation about what is safe about your choices, and a conclusion. Be sure to indicate what extra ideas or items were added. Also, identify how your extra items/ideas would make the babysitting experience a more fun and positive experience for you and the children you are babysitting. If the project is not to be used for babysitting, state how the project will be used. This evaluation will be graded according to the following 6-Traits of Writing: Ideas and Conventions.

#### **EXTRA Bag Fun-**

- Type the summary on another sheet of paper and attach to this scoring guide.

### Play Dough Recipe:

**Requirements**-During class we will complete one play activity. The completed project and/ or directions will become part of your bag. As a group of 3-5 students you will mix up a recipe for play dough. The play dough will then be divided between each team member and placed in a small plastic bag with the recipe and a few personal comments written on the label for your next baby-sitting activity. Attach the label to the bag.

Cooking required on top of stove - <http://familyfun.go.com/crafts/play-clay-709020/>

(Grade: C - range)

### **EXTRA Bag Fun-**

Think about the kids that you babysit. What fun activities would they like? Select some activities or craft ideas and include them in your babysitter's. Add directions if needed. Be sure to select safe and ideas! Add other safe fun items to your bag – books, puzzles, videos, games, ect.

- Create puppets or games. Plan a puppet show.
- Copy off ideas from the web site. Organize ideas in a notebook.

.....

## Snack Activities – Chances are you will be preparing foods for the kids to eat. Always check with parents about likes, dislikes, and any allergies the kids might have. Keep in mind that while preparing the food, you may need to select activities that will keep them entertained and give you time to prepare the foods. If old enough, the kids might help out with a few of the activities. But again remember **SAFETY!**
