

Conclusions

Remember:

- Go back to your topic.
- Find your key words.
 - Use synonyms.
- Summarize information, encourage readers, convince the audience, or challenge them to think.

Sometimes these words or phrases can help!

- In fact
- Certainly
- All in all
- Obviously
- Definitely
- To sum up
- In conclusion
- Clearly
- Truly
- Surely

Examples

- To sum up, writing a paragraph is simple if you just remember to organize and use transitions.
- Obviously, all students must learn to write paragraphs that are clear and interesting.
- Learning to write paragraphs is certainly necessary.

The final statement is important!
