

Indemnification

The user agrees to indemnify the School District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these procedures.

Security

Network security is a high priority. If the user can identify a security problem on the District Network or Internet, the user must notify appropriate personnel. Do not demonstrate the problem to other users. Users shall not reveal their passwords to other individuals. Attempts to log-on to the District Network or Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to these resources.

Vandalism

Vandalism will result in cancellation of privileges and will be reported to the legal authorities for possible prosecution. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

Telephone Charges

The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Limited Resource

Activities that are deemed by the network supervisor to cause unreasonable demand on network capacity or disruption of system operation are prohibited. Users shall not post chain letters or engage in "spamming". Spamming is sending unsolicited messages to a large number of people, or sending a large number of unsolicited messages to one or a few individuals.
