

Math

Our 1st Quarter Goals include:

*Non-numeric patterning

(The patterns we work on are AB, AAB, ABC, ABB, AABB)

*Graphing

*Writing #'s to 25

*Adding numbers to the sum of 12

If your child can write their numbers to 25 and beyond—Kudos to you!!!

If your child is struggling with number writing please practice a little each day so it becomes more automatic.
