a day later	during	meanwhile
after	early in the morning	never
after that	for a while	one evening
after we walked a mile	for the next days	quickly
afterwards	hours went by	right away
almost as quickly	immediately	several weeks later
an hour later	in between the time	some time later
around noon	in just twenty minutes	soon
as	in the late afternoon	suddenly
as soon as	in the meantime	that night
at dawn	just as	the following day
at dusk	just before dawn	the next day
at first I saw	just then	when
at the same time	just when	when spring came
be four o'clock	later	when we arrived
by the time I arrived	later on	while
