

## Conclusions

When you conclude your paragraph, try one of these methods.

### **Summarize**

Summarize information.

*In fact, skate boarding is good exercise and great fun for boys and girls.*

### **Encourage**

Encourage your reader to take action.

*When adults see young children smoking, they must speak up.*

### **Convince**

Try once more to convince the reader of your position.

*Truly, bike helmets save lives.*

### **Challenge**

Challenge your reader to think.

*Not everything on television is worth watching; stop and think before you waste your time.*
