MEDICATION CONSENT FORM

NOTE: If possible, parents are advised to give medication at home on a schedule other than during school hours. If it is necessary that a medication be given during school hours, the following regulations must be followed.

- Medication must be ordered/advised by a physician/dentist and permission granted to the school nurse to contact physician/dentist/pharmacist if necessary.
- The parent/guardian must provide directions to the school personnel responsible for administration of medication. If the student is self-administering the medication with parental/guardian consent, the parent/guardian must provide monitoring of the medication's effects and assume full responsibility therefore.
- Medication must be brought to school by parent/guardian in the original container with appropriate label intact. Secondary students may bring necessary medication to school; must give to school personnel at the beginning of the school day, and medication must be kept in the locked medicine area of the health office. If medication is not properly labeled, it will NOT be given.
- Parent/guardian must sign this form, granting school/personnel permission to administer medication, according to regulations set herein.

➤ **It is the sole financial responsibility of parent/guardian to provide medication(s). Beatrice Public school will not provide medication(s) for student use.**
